

Jennifer McCollum

Environmental Spatial Analysis Student at the University of North Georgia

Current Project

Georgia Forestry Commission Statewide Canopy Assessment. Phase 1: Assess 2009 statewide tree canopy and determine canopy changes from 2009 to 2015.

Education

University of North Georgia

- Currently enrolled as a B.S. undergraduate student in the Institutional & Spatial Analysis Program, 2018 - 2020

North Georgia Technical College

- Associates Degree, Web Development, 2015 - 2017

Summary

I am interested in sustainability and the built environment. Creating a balance between built and natural systems in urban development to reduce carbon emissions and to maintain a healthy ecosystem using geospatial technology.
